About Sunset Ministry

Sunset Ministry of San Francisco has been serving the Sunset district since January 1998. This summer we have planned a fun evening program for children entering 2nd grade through entering 7th grade . As positive role models, our counselors provide campers with an enriching experience through storytelling, art, crafts, cooking, games, music, and singing. Our small leader to camper ratio provides your child with the personal attention and care they need. Dinner is not included, but evening snacks will be provided.
